Highlights

The Cedar Lake Enrichment Center (CLEC), an adult day program, provides a person-centered, structured environment for individuals with intellectual and physical disabilities. CLEC offers a choice of scheduled classes, vocational training and community inclusion with curriculum designed to enhance the quality of life. The goal of the program is to enable clients to successfully reside in their own community and give them an experience that enhances life by creating many valuable opportunities and lasting friendships.

**LSA + 300 members =
Care for 6 million Americans**
