

Purdue University Global Education Partnership: Benefits for Lutheran Services in America Network Members

A strong workforce is critical to health and human service organizations' efforts to serve people. To help strengthen and train a more sustainable workforce for organizations within our national network, Lutheran Services in America is partnering with Purdue Global to offer affordable college tuition to employees of our member organizations and their immediate family members*, as well as hiring resources for our member organizations.

RECRUITMENT & RETENTION

The backbone of any successful organization is the employees that comprise its workforce, whose growth and professional development benefit employer and employee alike. Ultimately, a well-educated workforce improves the quality of service an organization provides.

Affordable tuition through the workplace is a powerful draw for top talent in the industry. Like medical and dental, tuition discounts and reimbursements now are common features for attracting and retaining talented employees. Educational assistance is particularly appealing to younger generations who are more likely to search for jobs that offer this benefit. Employees who receive support from their employer through benefits such as this may feel they have more at stake in staying with an organization where they can grow and have an opportunity to advance in their career.

PURDUE GLOBAL BENEFITS

- **Discounted Tuition:** Purdue Global offers a 20 percent tuition reduction for undergraduate programs and a 14 percent tuition reduction for graduation programs.† All employees of Lutheran Services in America member organizations and their immediate family members qualify for enrollment at these reduced rates.
- **Credit Transfers:** Purdue Global offers degree-completion programs that allow students to apply prior coursework and previous job training toward degree requirements.*
- **Internships:** Lutheran Services in America's agreement with Purdue Global allows member organizations to enter into separate agreements with the university to set up internships. Purdue Global interns fill a variety of positions within the organization, and could ultimately transition into full-time positions at the completion of their academic program.
- **Job Board:** Lutheran Services in America's agreement with Purdue Global also gives member organizations access to the Purdue Global Job Board. Here, organizations can post position openings to attract those who are or will be completing their degree through Purdue Global to find fulfilling employment with your organization.
