Updated: 3/28/24

*\* Please note that issues of Caring Connections in 2014 were published in a different format and are not numbered by pages. Authors and Titles for these issues are listed only by the year, and the number of the Article being cited {example: Vol. 11, # 1 – 2014, Article # 1}. We apologize for any difficulties this arrangement might make.*

-----

*\* Please note, also, that after the Vol. 10, # 2 – Spring, 2010 issue, the seasonal references [Spring-Summer-Fall-Winter] were dropped, in the issues themselves and in the Archives as well. We have followed that same process in these Index lists.*
