## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Lutheran Services in America, Incorporated  
Washington, DC

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying statements of financial position of Lutheran Services in America, Incorporated (the Organization), as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**LUTHERAN SERVICES IN AMERICA, INCORPORATED**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Background**

Lutheran Services in America, Incorporated (the Organization) is one of the largest health and human services networks in the country, with a membership of over 300 independent Lutheran nonprofit organizations throughout the United States and the Caribbean, with combined revenue of \$23 billion. The Organization connects and empowers its member organizations to transform the lives of the one in fifty Americans it serves each year by establishing strong partnerships, securing financial and technical resources to drive change, and amplifying their voice. Each member organization is separately governed and is responsible for its own operations. The Organization is affiliated with the Evangelical Lutheran Church in America (ELCA) and the Lutheran Church-Missouri Synod (LCMS).

**Basis of Accounting and Presentation**

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. The financial statement presentation is in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*, as amended by Accounting Standards Update (ASU) 2016-14. Under ASC 958, as amended, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: those without donor restrictions and those with donor restrictions.

Net assets without donor restrictions are those net assets that are not subject to donor-imposed restrictions. They do include board-designated net assets, whose use has been restricted by the Organization's board of directors. The Organization had \$3,137,783 and \$2,845,189 in board-designated net assets at June 30, 2024 and 2023, respectively.

Net assets with donor restrictions are subject to donor stipulations that limit the use of their contributions. Donor restrictions may result in time or purpose restricted net assets, where the use of contributions is limited by donor-imposed stipulations that either expire by the passage of time or when used for specified purposes. Donor restrictions may also result from endowed net assets, where the donor stipulations neither expire by the passage of time nor can be fulfilled or otherwise removed by the Organization's actions. The Organization had no endowed net assets with donor restrictions at June 30, 2024 and 2023.

The term "fiscal year" is used at times in these financial statements. Such reference refers to the year in which June 30 falls.

**Use of Estimates in Preparing Financial Statements**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**LUTHERAN SERVICES IN AMERICA, INCORPORATED**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

The Organization considers all short-term investments which are to be used for operations and have a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents include \$150,000 of maturing certificates of deposits at June 30, 2024 and 2023 that previously were classified as short-term or long-term.

**Certificates of Deposit**

The investment in certificates of deposit are with the Mission Investment Fund of the ELCA with original maturities from 1 to 4 years as deemed appropriate by management to provide the necessary cash management flexibility. The certificates of deposit can be redeemed prior to maturity upon incurrence of a penalty. Certificates are stated at cost basis which approximates fair value.

**Pledges Receivable**

Unconditional pledges receivable are recognized as revenue in the period acknowledged. Conditional pledges are only recognized when the conditions on which they depend are substantially met. Unconditional pledges receivable are carried at fair value less an estimate made for doubtful pledges based on a review of all outstanding pledges on an annual basis. Management determines the allowance for credit losses by using the historical experience applied to an aging of pledges. Pledges are written off when deemed uncollectible. No allowance was considered necessary at June 30, 2024 and 2023.

**Accounts Receivable**

Accounts receivable are primarily receivables for royalties and amounts due from member and affiliated organizations. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience and other circumstances which may affect the ability of members and others to meet their obligations. No allowance for credit losses was considered necessary at June 30, 2024 and 2023.

**Assets Limited as to Use**

*Managed Networks:* The Organization facilitates collaboration among its members for the purpose of advancing the ministries of the members. The collaborative groups are called Networks. The Organization provides fiscal agent services for some of these Networks, which are referred to as Managed Networks in the financial statements.

*Cash Held for Grant:* The Organization has set up a separate bank account to segregate from other revenue sources the money it has received related to a grant from the Margaret A. Cargill Philanthropies.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Assets Limited as to Use (Continued)**

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statements of financial position that sum to the total of the same such amounts shown in the statements of cash flows:

	2024	2023
Cash and Cash Equivalents	\$ 3,284,833	\$ 2,028,753
Cash Held for Managed Networks	94,002	119,326
Restricted Cash Held for Grant	2,245,560	2,663,626
Total Cash, Cash Equivalents, and Restricted Cash	<u>\$ 5,624,395</u>	<u>\$ 4,811,705</u>

**Fixed Assets**

All individual acquisitions of equipment in excess of \$3,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Information technology consists of computer equipment and software applications. These assets are depreciated on the straight-line method over their estimated useful lives, which is three years. Purchased equipment is carried at cost. Donated equipment is carried at fair value at the date of donation, if sufficient fair market value can be evidenced.

**Leases**

In accordance with FASB ASC 842, *Leases*, as amended by ASU 2016-02, operating leases are included in operating lease right-of-use (ROU) assets, other current liabilities, and operating lease liabilities in the statement of financial position. Operating lease ROU assets and liabilities are recognized at the commencement date based on the present value of the lease payments over the lease term. Since the Organization's leases do not provide an implicit rate, the Organization has used a five-year risk-free rate of 4.60% for calculation of the interest component of the liability calculation. Lease expense is recognized on a straight-line basis over the lease term.

**Grants Payable**

Grant commitments are charged to operations at the time the grants are approved. Grants are paid to a grantee at the time of authorized action by the grantee to fulfill the terms of the grant. There were no grants payable as of June 30, 2024 and 2023.

**Revenue Recognition**

The financial statements of the Organization have been prepared in accordance with FASB ASC 606, *Revenue from Contracts with Customers*, as amended by ASU 2014-09.

Membership support, event revenue, and service fees are recognized as revenue in the fiscal year to which they relate. Membership support that is received in advance is recorded as deferred revenue.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition (Continued)**

Contributions and grants are recognized in accordance with ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958)*. Contributions and grants that are restricted by the donor are reported as increases in net assets with donor restrictions in the reporting period in which the revenue is recognized. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. However, small contributions restricted by donors for broad program may be reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or when a purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

Additionally, the Organization recognizes contributions when cash or other assets, or an unconditional promise to give are received. Conditional promises to give, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend on have been met. As of June 30, 2024 and 2023, conditional grants and contributions were \$2,089,783 and \$1,000,000, respectively.

**Programs**

*Raising Visibility for Lutheran Social Ministry:* The Organization champions Lutheran social ministry by building valuable connections, amplifying their voice and empowering its members in their mission to answer God's call to love and care for our neighbor. By telling a clear and compelling story through a unified voice, the Organization leads a network of 300 connected, strong and thriving Lutheran social ministries and raises critical issues, programs and the positive impact on the 1 in 50 people in America they reach each year.

*Creating Member Solutions:* The Organization creates the environment for its national network to learn, grow and thrive and to transform the lives of people and communities across the country. The Organization leverages the power and knowledge of its network in ways that strengthen community leaders, build capacity and foster learning and accountability. The Organization convenes its network members to sustain and expand their valued services by establishing national partnerships with philanthropy, academia, health care, and others to address the most critical challenges people face today. And the Organization leads learning collaboratives to bring together members with shared challenges and opportunities to craft innovative solutions that advance a healthier, more equitable future for children, youth and families, people with disabilities, older adults and others experiencing need.

*Leadership Development and Convenings:* The Organization unites one of the largest and most broad-based networks of health and human services providers in the United States. The Organization mobilizes its network through collaborations with outside experts from the worlds of academia, philanthropy, health care, and the private sector. Working with its members and strategic partners, the Organization stimulates thinking and action on complex, challenging issues affecting people across the country. Through its collaborations, the Organization leads programs to support communities and empower people to lead their best lives.

**Programs (Continued)**

*Advocacy and Public Policy:* The Organization amplifies the faith-based voice of its \$23 billion network through advocacy on policy matters affecting children, families, older adults, people with disabilities, veterans, refugees and others experiencing need in the United States. The Organization's advocacy mobilizes its network members to improve health and opportunity for all, enhance the health and well-being of people in America and strengthen the nonprofit sector. The Organization is a trusted resource for legislators and their teams and a critical partner with all levels of government, health systems and regulatory decision makers.

**Functional Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. Certain categories of expenses are attributable to more than one program or supporting function and, therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include telecom and information technology, occupancy, and office expenses. All expenses are allocated based on total salary costs, whose distribution to programs is determined based on the Organization's time reporting system.

**Income Taxes**

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) as an organization that is not a private foundation. The Organization is generally exempt from federal and state income taxes. Unrelated business income may be subject to federal and state income taxes. Management believes that it has no material uncertain tax positions that would require recognition under the accounting codification guidance.

**NOTE 2 FAIR VALUE MEASUREMENTS**

The Fair Value Topic of the FASB Codification (the Codification) defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

*Level 1* — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access at the measurement date.

**LUTHERAN SERVICES IN AMERICA, INCORPORATED**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 2 FAIR VALUE OF INVESTMENTS (CONTINUED)**

*Level 2* — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than observable quoted prices for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining the appropriate levels, the Organization performs a detailed analysis of the assets and liabilities that are subject to the fair value disclosures of the Codification.

Following is a description of the valuation methodologies used for assets measured at fair value at June 30, 2024 and 2023.

*Mutual Funds* — Valued using identical or similar assets or liabilities in active markets that the Organization has the ability to access at the measurement date.

The following summarizes the Organization's investments using fair value measurements at June 30:

		2024			
		Level 1	Level 2	Level 3	Total

**BUDGET PROPOSAL – FISCAL YEAR 2026**  
**Lutheran Services in America, Incorporated**  
**January 2025**

### Overview

Lutheran Services in America ("LSA") enters Fiscal Year ("FY") 2026 in a strong financial position. The FY 2026 budget proposes \$6,614,700 in revenue and \$6,570,400 in expenses, resulting in a net income of \$44,300. This budget supports LSA's strategic mission and priorities in the following ways:

- **Building on Innovations:** Expanding programs launched in FY 2025, including the Housing Solutions Collaborative, Strengthening Families Initiative/-Healthcare partnerships, and the Lived Voices Fellowship.
- **Broadening Partnerships:** Engaging a wider set of partners and additional investment sources.
- **Conservative Projections:** Maintaining operational vitality with conservative revenue projections while positioning for growth.

### Highlights of the FY 2026 Budget vs. FY 2025

- **Stable Contributions:** Unrestricted contributions and program and services revenues remain consistent.
- **Membership Fees Adjusted.** Reflecting actual dues revenue in FY23 and FY24 and the addition of new categories for organizations with 150M+ operating expenses.
- **Revenue Diversification:** Addition of new funding partners.
- **Stable Staffing Costs:** No significant increases projected.
- **Regrants:** to members primarily through the Rural Aging Action Networks (RAAN/MACP) and the Family Stabilization Initiative (FSI/MACP)

### Cash Position

LSA's financial strength is underscored by:

- **Net assets to total assets ratio** on June 30, 2024 was over 81.57%, and its ratio of net assets without donor restriction – the funds over which it has full control – was 50.68%. LSA opened Fiscal Year 2025 with more than 100% of its budget covered by its net assets. Another metric that provides an indication of LSA's effective stewardship of funds is its ratio of 2024 program expenses to total expenses, which was 82.38%.

- **Reserve Policy Compliance:** Maintaining unrestricted cash reserves above the target of \$1,190,300 for FY 2026.

### **Proposed FY 2026 Budget Summary**

The proposed budget details in the following table are presented alongside FY 2024 audited results and FY 2025 projections, emphasizing continued financial stability and alignment with LSA's strategic goals. The FY 2026 budget reflects a prudent balance between innovation, operational efficiency, and long-term growth.
